

Biofase is a 100% vegetarian proprietary enzyme blend of hydrolytic enzymes specifically designed to target many species of yeast, pathogenic bacteria and other harmful organisms within the gastrointestinal tract. Biofase also assists in supporting a balanced intestinal environment and is safe to take with probiotics and other supplements.

**Suggested Use:** Take 1 to 3 capsules with an 8 ounce glass of water at least one hour before meals or two hours after a meal, at bedtime, or as directed by your healthcare practitioner.
