

Profase is a 100% vegan-friendly proprietary blend of probiotic bacteria specifically formulated to combat against the damaging effects of yeast and other pathogenic organisms.* Profase is designed to support a healthy immune system, and maintain a balanced digestive tract where a majority of our immune system is located. Profase is safe to take with Biofase and other dietary supplements.

Suggested Use: Take 1-2 capsules once or twice daily with 8 oz of water or as directed by your healthcare practitioner. For best results, take Profase on an empty stomach at least one hour before eating.
